

# Philippine Science High School Math Interscholastic Competition 2010

November 26, 2009

Dear Sir/Madam,

The Mathematics Club of the Philippine Science High School – Main Campus (PSHS-MC) is inviting your school to participate in the annual **PSHS MATH INTERSCHOLASTIC COMPETITION** held during the PSHS Annual Youth Math, Science, and Technology (YMSAT) Festival.

This competition, which is led by the PSHS Mathematics Club in coordination with the PSHS Mathematics Department, seeks to challenge the mathematical ability and creativity of students and to foster interaction among mathematically talented high school students in the National Capital Region (NCR).

This school year, **PSHS MATH INTERSCHOLASTIC COMPETITION 2010** will be held on **Wednesday, January 27, 2010**. Registration will begin at 7:30 am at the front lobby of the Science and Humanities building. There are no registration fees.

Attached is a copy of the contest rules and regulations. Please inform us of your intention to join by providing the information below through **telefax (02 924 0661)** or **email (leocrisologo@pshs.edu.ph)**.

We look forward to your school's participation this year. Thank you very much.

Very truly yours,

Andrei Mallare  
Executive Director  
PSHS MATHEMATICS CLUB
